

In the book of Joshua chapter 4, God had the priest to gather twelve stones by His instruction and once they crossed the Jordan to make a memorial of His wonders, the Lord put it in our spirits to gather twelve stones for the Tulsa area on February 10<sup>th</sup>. He specifically instructed us that there would be a Divine Order in the gathering of these stones. The Lord revealed this location to us on top of Turkey Mountain. Eight days later, on February 18<sup>th</sup> we hiked up **Turkey Mountain** to the point where the Holy Spirit said, “Here” for the “**High and Lofty Stone**”.

February 19<sup>th</sup> where He had led us to **Victory Church** in Tulsa to gather the second stone, the “**Victory Stone**”.

On February 20th, He led us to gather the remaining stones except the final stone to be gathered on 02/22/2022 at Rhema Bible Church.

Stones Collected on February 20th of 2022:

- **Prayer Stone** at Millennial Church
- **Healing Stone** at ORU City of Faith Towers
- **Prophetic Stone** in the mouth of the River Bed
- **Judicial Stone** at the Tulsa Court House
- **Government Stone** at the Creek Nation Council
- **Education Stone** at Tulsa Public School Enrollment Center
- **Economic Stone** under the Golden Driller
- **Community Stone** from the Gathering Place
- **Transformation Stone** at Transformation Church

God led us to gather the twelfth stone on 2/22/22 on a land with an open portal at **Rhema** .

This is where we gathered the final stone, the “**Faith Stone**”. We brought together the other eleven stones that we already gathered. Then we prayed to cancel and vacate every unclean and evil portal above each location represented by the stones, as we proceed to pray and open heavenly portals above each location represented by each stone.

## *Call to Action*

Please pray for each of these places not only for Tulsa but also anywhere you may live, work, or play. As it is your prayers voiced into the physical that causes the spiritual to manifest God’s will on Earth!
